PROJECTS

Kundali Dikhao (Astrology App)

June 2021 - July 2021 (Play Store)

- It's an app where you can resolve your issues with experienced astrologers.
- Here you can submit your issues with their attachments and astrologers will call you at a scheduled time and answer your questions.
- You can feel free to make any type of questions to the astrologer.

Ghar Se Business (Record Keeping App)

April 2021 - May 2021

- It's an app for those people, who do not know more about technology but want to manage their business online.
